Last Modified Jul 23, 2014, rel 8.10
X = VARCHAR2
9 = NUMBER

GREEN = new or changed fields for 8.10
RED = obsolete fields
BLUE = useless fields

NOTE: sets not required, ftrxxxx_atts_code is null. Then ftrxxxx_attv_code is required. If only type assigned, type defaults into ftrxxxx_attv_code. Thus a link is not always necessary between ftrattv and ftrxxxx.
