

EXPLORING LANGUAGE ANTL 160/LNGS 110

LIBRARY WORKSHOP 1

In today's workshop, you'll need to find materials and take down necessary information.

First of all, find the following:

1. a book about primates;
2. a book by Victoria Fromkin;
3. a book about sign language;
4. 2 popular press articles about primates and language;
5. a scholarly journal article (same subjects).
6. a scholarly article about a work by Sue Savage-Rumbaugh.

For each, source that you find, note the author, date and place of publication, title, and any other information you think you'll need to prepare a works cited page.

Due in class, Monday, September 7.
