

## Friday project #2 Due September 6

### Argumentation

Consult at least 4 sources on how to write a sound argument.

1. Two sources can be from the Internet.
2. You already possess one source—use it!
3. Make a list of the common points your sources give for writing sound arguments
4. Compose three guidelines for revising paper 1 based on the research you've done on writing arguments.
5. List all sources consulted using MLA format (Keys for Writers 176)
6. Finally, discuss in detail the differences between the **topic** of an essay and the **thesis** of an essay
